
UWL Tennis Private/Semi-Private Lessons

My name is Jack Hehli, and I will be a senior on the UW-La Crosse Men's Tennis Team. I'm a former high school state champion from West Salem High School. I have been a three-year collegiate starter at UWL, and have been teaching tennis to youth and adults in the area for the last several years. I'm leading a group of my college teammates and coaches this summer to offer private and semi-private lessons. We offer flexible options for players of all ages and abilities.

The Basics:

We will work with all students to accommodate their needs. Whether you are just looking for a hitting partner or want several lessons per week, we will help set it up. Our main training site will be at UWL's Hetzel Fieldhouse, featuring indoor, air-conditioned courts to ensure all lessons go on as planned, rain or shine. We have access to ball machines, video equipment, and other teaching aids to help with instruction at the fieldhouse. If you prefer to be outside at any of our local courts, we will do our best to accommodate those requests. All of our instructors are college level tennis players and coaches, with many years of playing and teaching experience. Rates will vary based on the set-up of your lessons and your instructor, but we will offer package deals and flexible options.
